Jewellery Party

Jet Black Crystal with Kinsa Colours

Clear Crystal with Kinsa Colours

Hosting a Kinsa Jewellery party is as easy as 1 - 2 - 3 and is a great opportunity for a gathering of the girls. The gathering can be work colleagues, family and friends, old school friends, school or mother's groups or neighbours. Kinsa Jewellery Parties are usually held at home or a community centre but can also be held at work (with appropriate authorization). Kinsa wants to thank all those who choose to host a Kinsa Jewellery Party and would like to offer you your choice of either the Jet Black Crystal or the Clear Crystal earring and necklace set shown above. This hostess gift can also be used as a sample piece at your event. Kinsa asks that you try to reach sales of \$500+, which means a minimum of 17 pieces of jewellery. We are grateful for any amount of sales that your party results in, but have found that it is motivating to set a goal.

CATERING – KEEP IT SIMPLE:

Keep catering simple so all is easy – a 'Wine & Cheese' or Tea Type Party can strike an ideal balance. The focus is on having an enjoyable time with friends and acquaintances.

TO HOST A KINSA JEWELLERY PARTY SIMPLY:

1. Inform Kinsa of your intention to host a Kinsa jewellery party.
2. Set a date.
3. Invite 10 - 15 girlfriends over.
4. Contact Kinsa again to give us the date of your event and to specify which of the above sets you prefer as your hostess gift. Kinsa will send you the set in advance as well as a DVD of Kinsa's President & CEO – who using his sometimes loud voice speaks eloquently and passionately about Kinsa's mission and the challenges we face (please provide a mailing address).
5. Together with a Kinsa representative, establish your party code; this code will be used in the shopping cart as your guests place their orders.
