Dear Mr. Gillespie,

Paul.

As you know, on June 17, 2010, Bill C-268 was adopted by the Senate of Canada and received Royal Assent on June 29, 2010. This critical victory was the result of one and a half years of hard work and substantial support from key individuals and organizations across Canada.

I want to take this opportunity to personally thank you for your exceptional efforts to help support Bill C-268. This legislation will now help provide the opportunity to restore dignity to the shattered lives of the victims and ensure meaningful sentences that reflect Canada's abhorrence of this crime.

As part of my deep gratitude for your efforts to help pass Bill C-268, please accept a Certificate of Appreciation recognizing your contribution to its success as well as an official certified copy of Bill C-268 reflecting its Royal Assent.

Moving forward, we must continue to work together to bring about further initiatives to fight and prevent trafficking in persons and provide protection for its victims. I look forward to working with you to accomplish these next steps.

Sincerely,

Joy Smith, M.P.
